Dear Prefect;

Thanks for your support of our organization! The Tripoli Board of Directors wants to potentially reward your prefecture for your financial support over the years via the Annual Prefecture Dues. We are able to offer the Prefecture Improvement Plan (PIP), for an amount of up to \$500 per prefecture. This is a grant program your prefecture can use to improve the flying environment for Tripoli Rocketry Association members. We want to enable your prefecture to purchase equipment, supplies, outreach and marketing materials that will enhance your prefecture, environment and flying field. Please read over the attached and submit your request.

Sincerely,

A handwritten signature in black ink that reads "Dave Rose". The signature is written in a cursive style with a large, looped "D" and "R".
